National Nuclear Security Administration
Washington, DC 20585

February 2, 2007

MEMORANDUM FOR: INGRID KOLB
DIRECTOR
OFFICE OF MANAGEMENT

FROM: THOMAS P. D'AGOSTINO 
DEPUTY ADMINISTRATOR
FOR DEFENSE PROGRAMS

SUBJECT: Directives Certification Statement

DOE Manual 461.1-1, Change 1, Packaging and Transfer of Materials of National Security Interest Manual, has been reviewed by my organization and is deemed to be in compliance with related Departmental Directives, Secretarial Delegation, organizational structure, budget guidelines, rules, regulations, standards, OMB guidance, relevant memorandums of understanding and public laws. An administrative change to this manual was approved on July 26, 2005, as part of an update review.

In addition, this directive is not found to cause undo burden, i.e., cost impacts, prescriptive, redundant, and excessive reporting requirements, on Departmental elements and contractors.

I certify that this directive is accurate and continues to be relevant and appropriate for use by the Department. Reviewed by Paul T. Mann, NA-171, SME.
