MEMORANDUM FOR: INGRID KOLB  
DIRECTOR, OFFICE OF MANAGEMENT

FROM: KEVIN T. HAGERTY   
DIRECTOR, OFFICE OF INFORMATION RESOURCES

SUBJECT: Request to Cancel DOE Policy 111.1, Departmental Organization Management System

**PURPOSE:** Cancel DOE Policy 111.1, Departmental Organization Management System

**BACKGROUND:** In accordance with DOE Order 251.1C, *Departmental Directives Program*, directives must be subject to review every four (4) years for continued relevance. The Directives Review Board (DRB) is therefore reviewing outdated Directives and has determined that it is no longer necessary for the Department to retain DOE Policy 111.1, *Departmental Organization Management System* in the directives system.

**JUSTIFICATION:** This Policy reiterates the authorities given to the Secretary to re-organize the Department and re-delegate those same authorities to Heads of Departmental Elements, as appropriate, as found in the Department of Energy Organization Act, P.L. 95-91, 42 U.S.C. 7101. DOE Policy 111.1 is not required by statute, and is therefore duplicative of existing law. In addition, this Policy has not been reviewed and certified to verify its continued relevance since its issuance in 1996, indicating that it has not been used by the Department for many years.

**IMPACT:** Cancelling this Policy is not expected to impact the Department or its offices.
