

U.S. Department of Energy
Washington, D.C.

NOTICE

DOE N 251.60

Approved: 11-19-04

Expires: 11-19-05

SUBJECT: EXTENSION OF DOE DIRECTIVE

Effective immediately, DOE O 474.1A, *Control and Accountability of Nuclear Materials*, is extended until 11-19-05, unless sooner rescinded.

The requirements of DOE O 474.1A have been incorporated into another draft directive which is being coordinated by the Office of Security as part of their streamlined directives initiative. The anticipated approval date for the streamlined effort is September 30, 2005.

If you have any questions, please contact Geralyn Praskievicz at 202-586-4451.

BY ORDER OF THE SECRETARY OF ENERGY:

KYLE E. McSLARROW
Deputy Secretary
