Harvest method used

The researcher did a great job of marking links to download, and these links actually had a download csv options, so it didn't require scraping at all. :P

Notes from Harvest

This is the raw data, but the website also has a few pdfs and interactive visuals, though I'm not sure whether those would be worth going back for...

User certified that to the best of their knowledge this is a well-checked bag that will survive out of context of the site it was harvested from.
