This survey is authorized by law (P.L. 103-382). While participation in this survey is voluntary, your cooperation is critical to make the results of this survey comprehensive, accurate, and timely. Your answers may be used for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose unless otherwise compelled by law (Public Law 107-279, Education Sciences Reform Act, Section 183).

**Arts instruction**—The study of creative works in music, visual arts, dance, or drama/theatre, and the process of producing them.

**Arts specialist**—An education professional with a teaching certificate in an arts discipline, such as music, visual arts, dance, or drama/theatre, who provides separate instruction in that discipline.

**Curriculum-based or co-curricular classes held outside of regular school hours**—School-sponsored visual arts programs held outside of regular school hours. These classes must reflect school's **curriculum**. Students may be required to participate in the classes and they may receive partial credit for participation. These classes do **not** refer to extracurricular activities such as art clubs.

**Block schedule**—A type of academic scheduling in which each student has fewer classes per day for a longer period of time. Instead of traditional 40- to 50-minute periods, block scheduling allows for periods of an hour or more so that teachers can accomplish more in a session.

**International Baccalaureate (IB)**—Offers three programs of international education for students in a worldwide community of schools in 135 countries.

**Types of teaching certificates/licenses:**

- Regular or standard—State certificate/license or advanced professional certificate;
- Probationary—Certificate/license issued after satisfying all requirements except the completion of a probationary period; and
- Provisional, temporary, or emergency—Certificate/license that requires some additional coursework, student teaching, or passage of a test before regular certification can be obtained, and certificate issued to persons who must complete a certification program in order to continue teaching.

**Virtual field trips**—Using technology for students to visit places (e.g., museums and art galleries) without leaving the school.
