Foods and Physical Activity in Public Elementary Schools: 2005

FAST RESPONSE SURVEY SYSTEM

FORM APPROVED
O.M.B. No.: 1850-0733
EXPIRATION DATE: 09/2006

This survey is authorized by law (P.L. 103-382). While you are not required to respond, your cooperation is needed to make the results of this survey comprehensive, accurate, and timely.

Focus of Survey

This survey focuses on two topics: availability of foods, and opportunities for physical activity for students at your school. Please note that in this survey:

- The term "foods" is used broadly to include both foods and beverages.
- Before- and after-school activities refer only to school-sponsored activities.
- **Questions 12 through 15 ask for information only for elementary grades above kindergarten** (typically grades 1 through 5 or 6), even though your school may have higher or lower grades.
- **Physical education** refers to class time that is spent teaching a physical education curriculum, **excluding** regularly scheduled recess and instruction on physical activity topics that are part of health education or any other subject.
